

UNDERGRADUATE RESEARCH FORUM
October 7th, Following KAPCON 2018 Valedictory

Dear Sir/ Madam,

Anand Diagnostic Laboratory - A Neuberg Associate, in association with KCIAPM, invite participation of undergraduate medical students at the "Undergraduate Research Forum" following the annual conference of the KCIAPM, on 7th October 2018. Through this, we hope to provide a platform for students to showcase their work to an audience of teachers and peers from across the state, and maybe help foster an interest in pathology and diagnostic medicine.

Guidelines:

1. The research work must have been carried out by an MBBS student during any year of his/her course, from a medical college in KARNATAKA.
2. The research work must have been carried out in India.
3. The subject of the study must have a relation to pathology, microbiology or diagnostic medicine.
4. A structured abstract of around 300 words must be submitted to Dr. Ananthvikas Jayaram, organizing secretary, KAPCON 2018 by email on/ before 31st August 2018. (Email: kapcon2018@gmail.com)
5. The student must also submit a letter from the Head of department / guide supporting the candidature.
6. A student may be permitted to submit an abstract that he/she has presented elsewhere, provided it has been presented in the calendar year 2018. A letter from the guide/HOD shall accompany such abstracts certifying the same.
7. The abstracts shall be reviewed by an independent panel, and FIVE students shall be shortlisted, which shall be intimated by September 15.
8. Selected speakers shall present an oral paper on 7th October 2018 to an audience of pathologists.
9. Anand Diagnostic Laboratory – A Neuberg Associate, shall sponsor the local stay and hospitality of invited speakers.
10. Details of time provided for each presentation shall be intimated to the selected speakers.
